Re: Request for government records

To Whom It May Concern:

Under the California Public Records Act § 6250 et seq., please accept this letter as my formal request for a copy of the most current record, financial report and/or corresponding ledger available that accounts for uncashed municipal issued checks and/or stale-dated warrants over \$699 that were issued six (6) or more months from the date of this letter and remain uncashed by the payee as of your most recent bank statement.

Please only include items that can still be claimed by the payee and have not yet been escheated to the State as unclaimed property. It is requested that the information provided contain the payee name, check issue date, check number, amount and any additional information, if available. Please note that we do not request details that may be exempt from disclosure due to privacy regulations as outline within the Freedom of Information Act guidelines.

In an effort to reduce time, production and postage costs it is requested that these records be provided via electronic mail when possible as this is the preferred method of delivery.

Should there be a cost associated with the fulfillment of this records request that exceeds that amount of \$25.00, kindly notify me via telephone or email with the estimated cost, prior to incurring any charges.

Please do not hesitate to contact me via telephone or email with any questions or clarifications needed with regard to this request for public records. Thank you in advance for your time and attention to this request.

Sincerely,

Sarah Atkins
